

Term 1	PE Subject Leader Day A dedicated day for PE subject leaders to network, share best practices, and gain the latest updates in PE, sport, and physical activity. This session supports strategic planning, curriculum development, and raising the profile of PE across your school. Dance A creative and practical session exploring engaging ways to deliver dance in the primary curriculum. This training will help teachers develop confidence, fresh ideas, and inclusive practices that inspire all pupils. Rules and Officiating Designed to build confidence in teaching the rules and improving officiating skills across various sports. Ideal for staff who want to empower pupils to lead and officiate fairly and effectively during lessons and competitions.
Term 2	Gymnastics A practical workshop focused on safe and progressive teaching of gymnastics. Participants will explore key skills, apparatus use, and how to differentiate activities to support all learners. Outdoor Play Development Learn how to transform outdoor spaces into active, engaging environments. This session explores the role of physical activity in play, strategies for inclusion, and how to maximise movement throughout the school day, including break and lunch times.
Term 3	ECT training Tailored support for early career teachers to build knowledge, confidence, and skills in delivering PE. This CPD provides practical ideas, classroom management strategies, and curriculum planning tips. Rules and Officiating Designed to build confidence in teaching the rules and improving officiating skills across various sports. Ideal for staff who want to empower pupils to lead and officiate fairly and effectively during lessons and competitions.
Term 4	Governors Training A strategic session aimed at school governors to understand the impact of high-quality PE and sport. Learn how to support and challenge your school's PE provision and how it contributes to whole-school outcomes. EYFS Training Focused on developing physical literacy through purposeful movement in the early years. This session supports practitioners in creating engaging, developmentally appropriate activities for young learners.
Term 5	PE Subject Lead Day A dedicated day for PE subject leaders to network, share best practices, and gain the latest updates in PE, sport, and physical activity. This session supports strategic planning, curriculum development, and raising the profile of PE across your school.
Term 6	Athletics Explore fun and effective ways to deliver athletics through both traditional and inclusive approaches. This session covers skills development, competition formats, and curriculum-aligned planning for KS1 and KS2.

CPD and training membership includes attendance at all PASS CPD and training events for two members of staff per event.
